Request For Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on 9/26/03 has been entered.

Response to Preliminary Amendment

1. This office action is in response to pre-amendment file on 9/26/03.
 - Claims 27-33 are newly added.
 - Claims 1-33 are pending in the application.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Claims 1-33 are allowable over the prior art of record because none of the prior art whether taken singularly or in combination, especially when these limitations are considered within the specific combination claimed, to teach: a thin film magnetic memory device comprising: a plurality of source lines, among others as claimed in independent claim 27, provided corresponding to a plurality of data lines and electrically coupled to a corresponding one of the plurality of data lines through a selected one of the memory cells in a corresponding fixed grouping in a data read operation; a

plurality of first data line selection portions, among others as claimed in independent claim 28, electrically disconnects a selected first data line of the plurality of data lines from a predetermined voltage in a data read operation; a plurality of source line selection portions, among others as claimed in independent claim 31, electrically connects a selected source line corresponding to a selected one of the plurality of first data lines to a second voltage different from a first voltage in the read operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
